Regarding: Docket No. 98P-0203/CP

Dear Sir/ Ma'am:

I am writing to encourage you to ban forced molting of "laying" hens because it is cruel. This practice means involves starving hens for an average of 12 days which forces their bodies to go into shock. We, as a country, must stop this inhumane treatment!

I urge you to ban forced molting!

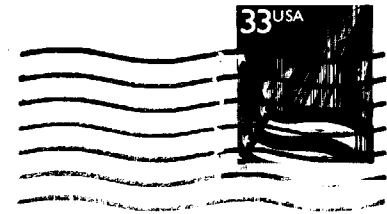

Sincerely,

  
Danielle Jesensky
